10:30 am Update on recent activities and projects

During this session project teams will provide updates on their work, followed by brief discussion and an opportunity for informal NE RPB and public engagement with the project teams:

- Commercial fishing
- Marine life characterization
- Baseline assessment

11:45 am Informal NE RPB and public discussion about projects

Public and NE RPB will have an opportunity to discuss and ask questions of specific project teams during a world café style session.

12:00 pm Lunch

Those interested in continuing discussion with project teams are welcome to do so during the lunch break.

12:45 pm Continued updates on recent activities and projects

During this session project teams and work groups will provide brief updates on their work, followed by brief RPB discussion.

- CZMA update
- Regional restoration priorities
- Sand and gravel
- Aquaculture
- Regulatory pre-application best practices

2:15 pm NE RPB discussion on next steps for data synthesis and agency use

Following on project presentations, staff will provide examples of potential approaches to bringing together data products, regulatory practices, and the results of industry and public engagement for agency use. This will include a presentation of potential next steps and will be followed by NE RPB discussion.

3:45 pm Break

- 4:00 pm Public comment**
Interested individuals will be provided the opportunity to offer formal public comment and encouraged to provide input on the topics currently being discussed by the NE RPB. Depending on how many individuals would like to comment, the time limit will be between 2-3 minutes. A sign-up list and guidelines will be available at the meeting registration table.
- 5:00 pm Summary of day 1**
- 5:30 pm Adjourn**

Thursday, June 4, 2015

- 8:30 am Public registration**
- 9:00 am Welcome back, review of day 1 outcomes, and review of day 2 agenda**
- 9:30 am Continued NE RPB discussion and decision on next steps for data synthesis and agency use**
The NE RPB will make a decision to guide future activities on the next steps for data synthesis and agency use.
- 10:30 am Review draft outline of Northeast Ocean Plan**
During this session, the NE RPB will review the draft plan outline and make decisions about how to proceed. The objective of this session is to get additional RPB member input and direction on the draft plan outline and discuss process and timeline for specific sections of the Northeast Ocean Plan.
- 11:30 am Public comment**
Interested individuals will be provided the opportunity to offer formal public comment and encouraged to provide input on the topics currently being discussed by the NE RPB. Depending on how many individuals would like to comment, the time limit will be between 2-3 minutes. A sign-up list and guidelines will be available at the meeting registration table.
